Clubs Sponsorship

Regarding Dr. Elsey Sponsorships: Every year a Club Survey must be completed by the show manager to apply for show sponsorship in that year. TICA must have a minimum of 12 weeks to process the survey and forward funds and sponsor box. The sponsor is notified when funds are awarded and the sponsor must have time to prepare and ship a box with product for display at show. Sponsorship dollar amounts may vary.

Survey form is online at: <http://tica.org/clubs> Available in both PDF and Word format

www.tica.org Members tab <http://tica.org/members> Select Club Information from left column

Surveys must be emailed, not snail mailed. Send to RFulkerson@cfl.rr.com

Do not use a P.O. Box address on survey, a physical address is necessary. Dr. Elsey cannot ship to P.O. Boxes.

EO can ship the sponsorship funds check to a P.O. Box, just not the sponsor box so be clear if using a P.O. Box you must also provide a street address for receiving deliveries.
